### Document Summary

|               |              |
|---------------|--------------|
| Client Name   | Byline       |
| Project Name  | Byline PDF   |
| Document Name | YP_Flyer.pdf |
| Version       | 1.0          |

### Accessibility Summary

|              |        |          |               |                |
|--------------|--------|----------|---------------|----------------|
| Total Issues | Errors | Warnings | Passed Checks | Overall Status |
| 6            | 4      | 2        | 0             | Fail           |

### WCAG Checks Summary

|           |                              |          |             |               |
|-----------|------------------------------|----------|-------------|---------------|
| Rule ID   | Criteria                     | Severity | Error Count | Warning Count |
| STAGE1.1  | Pdf Tagging                  | A        | 1           | 0             |
| STAGE1.15 | Contrast Ratios (Text & Ui)  | AA       | 1           | 0             |
| STAGE1.2  | Missing Alt Text             | A        | 1           | 0             |
| STAGE1.5  | Font Issues                  | A        | 0           | 1             |
| STAGE1.6  | Tables & Forms Accessibility | A        | 0           | 1             |
| STAGE1.7  | Language & Metadata          | A        | 1           | 0             |

## Page wise Issues

### Page 1 - Total Issues: 6

| Criterion ID | Criterion Name               | Level | Status  | Message                                                                                                                                                                                                                                              |
|--------------|------------------------------|-------|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| STAGE1.1     | Pdf Tagging                  | A     | Error   | [Page 1] PDF appears to be untagged. Tagged PDFs are required for accessibility. Please ensure the PDF has proper structure tags for headings, lists, and semantic elements.                                                                         |
| STAGE1.2     | Missing Alt Text             | A     | Error   | Page 1: 4 image(s) missing alternative text. Images without alt text violate WCAG 1.1.1. Please add descriptive alt text to all images on this page.                                                                                                 |
| STAGE1.15    | Contrast Ratios (Text & Ui)  | AA    | Error   | Insufficient contrast detected on page 1. Text and UI components must meet WCAG 2.1/2.2 standards (4.5:1 text, 3:1 large/UI).                                                                                                                        |
| STAGE1.5     | Font Issues                  | A     | Warning | Potential font issues detected on page 1. Page 1 contains text with very small fonts (< 9pt). Ensure fonts are at least 9pt for readability, and consider using 12pt or larger. Also verify that fonts are not purely decorative and convey meaning. |
| STAGE1.6     | Tables & Forms Accessibility | A     | Warning | [Page 1] Tables detected but no tagged table structure (Table/TR/TH/TD) found. Please add proper table structure (TH/TR/TD) and form labels in the Tags panel.                                                                                       |
| STAGE1.7     | Language & Metadata          | A     | Error   | [Page 1] Missing required metadata: title. PDFs should have a descriptive title and language declaration for accessibility. Please add these to the PDF document properties.                                                                         |
